The ABIM Classic 118 XL is a comfortable motor yacht suitable for long voyages through Europe, partly due to the separate shower room, washing machine, and very spacious owner's cabin. The ABIM Classic 118 XL is ideally suited for long voyages through Europe. The air draft of only 2.45 m makes even smaller waterways easily accessible. Characteristic of the ABIM Classic 118 XL is the engine noise, or rather the lack thereof; the ABIM Classic 118 XL is one of the quietest motor yachts in its segment.

Furthermore, this ABIM Classic 118 XL is equipped with a generator and double glazing.

The underwater ship of this ABIM Classic 118 XL was sandblasted in 2018.
