Deze Apreamare 9 Cabinato is uitgerust met betrouwbare Volvo Penta dieselmotoren met elk 200 pk, welke zorgen voor zeer goede vaareigenschappen bij zowel hoge als lage snelheden. Het maakt deze Apreamare 9 Cabinato uitermate geschikt om grote afstanden snel af te leggen. De Apreamare 9 Cabinato is geschikt voor varen op groot water.

Vanwege de plaatsing van de motoren achterin het motorjacht is de Apreamare 9 Cabinato een verrassend ruim motorjacht.

Deze Apreamare 9 Cabinato ligt iedere winter in een loods en verkeert in goede staat van onderhoud.
