The Boarncruiser 40 Classic Line is a classic linden multi-chine built motor yacht suitable for long stays on board and travel through Europe. The width of 4.35 m. and the full bow give the Boarncruiser 40 Classic Line a very generous interior space.

This Boarncruiser 40 Classic Line is in very good condition. Since 2018, the current owner has had the Boarncruiser 40 Classic Line brought into this very beautiful condition:

- In 2018, the teak deck was replaced by a Permateek synthetic teak deck;
- In 2021, the Boarncruiser 40 Classic Line was completely painted by Bonsink Yachtpainters in Zwartsluis;
- The convertible top and tent over the aft deck were renewed in 2022.

Equipped with double glazing, central heating, air conditioning and generator, this Boarncruiser 40 Classic Line is extremely suitable for long trips through Europe. The presence of a separate shower room increases comfort.

This Boarncruiser 40 Classic Line is equipped with a second steering position inside, ideal for those who sail for a long time.

Construction material	Steel
Hull shape	Multi chine
Deck	Permateek synthetic teak on steel (2019)
Superstructure	GRP
Rudder	1 x
Steering system	Hydraulic double wheel steering

Windows	Van Noordenne lightly tinted double glazing bonded; Portholes and windshield: lightly tinted glass in aluminium frames
