### Dimensions

10,85 x 3,85 x 1,00 m.

### Construction material

Aluminium

### Engine

Yanmar 315 HP (232 kW) Diesel

### Reference number

232012

# Berth

## General

7 Photos

The Brandini 36 is a beautifully lined convertible motor yacht with optimal use of the available space. There is space below deck for bicycles, a golf bag and separate space in both gangways for the fenders. She is also equipped with a remote-controlled garage for the dinghy.

The Brandini 36 is a half glider and with the great 6 cylinder Yanmar diesel it has very good sailing characteristics at both high and low speeds.

The motor yacht is equipped with every luxury such as air conditioning and generator, which makes her suitable for long comfortable journeys through Europe.

No expense was spared in the construction of the Brandini 36.

She has berth in a ship house every winter.
