The Broom 35 European is a very classy motor yacht, which gives her a lot of comfort for her length of over 35 feet. The Broom 35 European has very good sailing characteristics at both low and high speeds.

This Broom 35 European is in beautiful and original condition. The current owner had the motor yacht completely painted and the interior varnished in 2023. You wouldn't say that this Broom 35 European is almost 50 years old.
