De Colvic Watson 30 Ketch One Off is een eenmalige bestelling geweest door de Nederlandse opdrachtgever. Hij heeft het casco meegenomen naar Nederland om het hier verder te laten afbouwen. De betimmering is schitterend uitgevoerd door Jachtwerf Gebr. Bouma; de rekening is nog aanwezig. Het interieur is verrassend ruim door de zeer goede indeling met een ruime hondekooi en de kombuis in het stuurhuis.

De Colvic Watson 30 Ketch One Off beschikt verder over de welbekende eigenaschappen van de Colvic Watson motorsailers: robuust gebouwd en geschikt voor zeereizen.

De huidige eigenaar heeft de Colvic Watson 30 Ketch One Off opnieuw getuigd met nieuwe masten en nieuw staand want. Tevens heeft hij de Colvic Watson 30 Ketch One Off geschikt gemaakt om alleen te varen door onder andere de hoofdmast elektrisch strijkbaar te maken en de installatie van een boegschroef.

Construction material	GRP
Hull shape	Round bilged
Deck	Teak on GRP
Superstructure	GRP; Wheel house: teak and GRP
Keel / leeboard	Long keel
Rudder	1 x
