General

9 Photos

The Sea Ray 500 Sundancer combines opulent luxury on board with excellent handling characteristics, particularly on open water. The Sea Ray 500 Sundancer is built for cruising on open water. The two Detroit diesel engines, each delivering 550 hp, ensure good performance; the acceleration, in particular, is very impressive.

This Sea Ray 500 Sundancer is in very neat condition. The upholstery in the open wheelhouse and the aft cockpit is in good condition.

Construction material	GRP
Hull shape	Deep - V
Deck	GRP non skid; Wheel house and cockpit: synthetic teak on GRP
Superstructure	GRP
Rudder	2 x
Steering system	Hydraulic wheel steering with power steering
Windows	Lightly tinted glass in chrome frames
Displacement	14,515 kg.
Airdraft	3.64 m.
Yard	Sea Ray, United States
Building number	500-DA-910

Accommodation
