The Stadline 38 is a beautifully lined and optimally laid out motor yacht. Due to the placement of the engine under the cockpit floor, the Stadline 38 has a spacious interior. The Stadline 38 has very good sailing characteristics on both inland and coastal waters. With a clearance height of only 2.35 m, many small waterways are accessible.

This Stadline 38 is equipped with central heating and is suitable for long stays on board.
