The Targa 32 Flybridge is one of the most popular models in the range, and for good reason. The Targa 32 Flybridge boasts an optimal layout with five full berths, ample storage, and a beautiful finish. Built for all weather conditions, not just fair weather, the Targa 32 Flybridge is suitable for fast ocean voyages.

As the shipyard puts it: 'The Targa 32 Flybridge is the undisputed 4x4 of the sea (strong and capable)—a classic from the very beginning.' The handling characteristics of the Targa 32 Flybridge are phenomenal. A test describes the Targa 32 Flybridge's handling: 'The predictability, grip, and balance allow you to make last-minute adjustments if necessary. The steering is responsive, yet the boat remains stable; there's no drifting. Once on course, it holds its line as if it were on rails.'

This Targa 32 Flybridge is equipped with two Volvo Penta D6-330 engines, giving her a top speed of over 40 knots and a cruising speed between 25 and 30 knots. This Targa 32 Flybridge allows for quick, long-distance travel.

The absence of a bow superstructure gives this Targa 32 Flybridge a spacious seating area, a kind of extra cockpit.

This Targa 32 Flybridge is in excellent condition!

Construction material	GRP
Hull shape	Deep - V
Deck	Teak on GRP
Superstructure	GRP

Steering system	Hydraulic wheel steering inside and outside. Steering wheel in wheelhouse adjustable in height.
Windows	Tinted glass in aluminium frames
Displacement	6,700 kg.
Airdraft	3.45 m.
Yard	Oy Botnia Marine AB, Malax (Finland)
Building number	32099

Accommodation

4 Photos 

Material	Teak interior, beautifully finished and in very good condition
Saloons	Wheel house, Fore ship, Aft cabin
Cabins	2
Berth	5
Headroom wheelhouse	2.05 m.
Headroom fore ship	1.80 m.
Headroom aft cabin	2.00 m.
Bedsiz fore ship	2.10 x 0.70 m. (2 x)
Bedsiz aft cabin	2.05 x 1.40 m. (portside) and 1.90 x 0.73 m. (starboard)
Toilet	Toilet room with an electric toilet and sink
Shower	In toilet room
Radio	Kenwood
Cooking device	2 - Flame gas cooker
Refridgator	Isotherm 65-liter cooling drawer
Heating	Eberspächer Airtronic D4 and engine-powered heating. With defroster for the front windows in the wheelhouse

Engine

10 Photos 

Brand / type	Volvo Penta D6-330
Power	330 HP, 242 kW
