The shipyard's commentary gives the best impression of the Targa 37 Flybridge: 'The fearless classic. The Targa 37 Flybridge takes you to your destination in unparalleled comfort and safety. It effortlessly accommodates multiple passengers and is elegantly furnished with separate cabins for optimal privacy and comfort on board. The classic design, solid construction, and excellent handling make the Targa 37 the perfect choice for long and demanding voyages.'

This Targa 37 Flybridge is equipped with the following layout options:

- CFC (Comfort Front Cabin) provides extra space in the forward cabin;
- HF (Hi Fly) flybridge, characteristic of Targa motor yachts

Furthermore, this Targa 37 Flybridge is equipped with, among other things, the following equipment from the options list:

- Extra toilet/shower room in the forward cabin;
- Galley in the wheelhouse behind the helm seat

This Targa 37 Flybridge is in very fine condition and is always kept in a boathouse.
