This Vacance Solide 37 AK is in very good condition from first owner. The entire motor yacht was painted in 2018. She is always in a shed and only comes out when there is danger. This means that the discoloration by UV of the interior is nil.

The Vacance Solide 37 AK is a beautifully lined motor yacht with very nice panelling. With the very strong 6 cylinder engine (less than 1,400 operating hours), the motor yacht has very good sailing characteristics on both inland waters and larger waters.

This Vacance Solide 37 AK is ready for years of sailing pleasure.
